Journalist - Purpose-Driven Entrepreneurship

Company: Matrix-Q Media
 Location: The Netherlands
 Job Type: Full-time/Part-time/Remote

About Us:

Matrix-Q Media is the brainchild of Luis Daniel Maldonado Fonken, the founder of the Matrix-Q Research Institute and the Matrix-Q Technology Company. With a remarkable background as a purpose-driven entrepreneur spanning 27 years, Luis Daniel has established himself as an innovator, investor, and leader in these two organizations. In addition to his roles within the research institute and technology company, Luis Daniel also works as an independent consultant, coach, trainer, and advocate for positive causes. As an artist, storyteller, and peace worker, he brings a unique perspective to our collaborative effort. With his visionary leadership and extensive experience, candidates can feel confident in joining him on this exciting journey, knowing they have the opportunity to work alongside a trusted founder and innovator who has dedicated his life to making a positive impact.

Job Description:

We are seeking a motivated and passionate journalist to join our team. As a journalist at Matrix-Q Media you will be responsible for producing compelling media content, including articles, books, documentaries, presentations, workshops, and publications. Your primary focus will be on purpose-driven entrepreneurship, telling the stories of entrepreneurs who are making a positive impact and addressing the challenges they encounter. In addition, you will play a crucial role in raising public awareness of cases of abuse against entrepreneurs dedicated to creating a positive impact. This includes exposing instances of abuse by investors, other entrepreneurs, or systemic issues. Your work will involve using media platforms to make these stories public and advocate for change.

Responsibilities:

- Conduct in-depth research and interviews to gather information for articles, books, documentaries, and presentations
- Write engaging and informative content that highlights the stories of purpose-driven entrepreneurs and their impact
- Collaborate with the editorial team to develop compelling story angles and content ideas
- Investigate and report on cases of abuse against entrepreneurs, ensuring accuracy and ethical reporting
- Utilize various media platforms to publish and distribute content, reaching a wide audience
- Stay up-to-date with industry trends and developments in purpose-driven entrepreneurship
- Attend relevant events and conferences to network and gather information for stories

Compensation:

The primary compensation system for this position is revenue sharing. As a journalist at Matrix-Q Media you will have the opportunity to earn a percentage of the revenue generated from sources such as ad revenue, subscriptions, or sales. This aligns your compensation with the success and impact of your work. Additionally, we have other compensation rules that may apply in specific cases. Further details regarding these compensation options will be discussed during the interview process. We believe in creating a fair and transparent compensation structure that rewards your efforts and fosters a long-term partnership.
